Lochaber and District Canine Society  
Data Protection

Whose data do we collect?

LDCS collects data from members on joining the club.

What data do we collect?

LDCS collects name, address, email address, telephone directly from individuals

Why do we collect that data?

To provide membership services – contractual necessity  
To comply with Club/Society Constitution – contractual necessity  
To comply with KC Rules and Regulations – contractual necessity  
Publication of newsletters – legitimate interests  
Sharing of club news and events – legitimate interests

Where do we store the data?

This data is stored in manual records and the LDCS membership database. These records are kept securely under lock and key (for manual records) and password protected (electronic records).

When do you retain the data until?

Personal data will be retained in accordance with statutory requirements and Kennel Club requirements and recommendations. All personal data will be securely destroyed within 7 years of lapse of membership.
